Otolaryngology	4
Pediatrics	5
Plastic Surgery	12
Psychiatry	2
Radiation Oncology	1
Urology	2
Total	107

Note: The reasons graduates are unmatched are varied, but these are the most common:

- 1) Graduates applied in a limited geographic location.
- 2) Graduates applied or ranked too few programs.
- 3) Graduates did not have realistic career goals given the extremely competitive nature of some of the specialties.
