

CaRMS Applicant Contract

PLEASE READ THIS CONTRACT CAREFULLY. Your use of the Application and Matching Program (as defined below) is expressly conditioned on your acceptance without modification of this services contract (“Contract”) between you (the “Applicant”) and the CANADIAN RESIDENT MATCHING SERVICE (“CaRMS”).

WHEREAS:

1. CaRMS is a national, independent, not-for-profit, fee-for-service organization that provides a fair, objective and transparent application and matching service for medical training throughout Canada. CaRMS provides an Application and Matching Program (as defined below) for applications to, and confidential ranking of, one or more Residency Programs (as defined below).
2. The Applicant wishes to use the Application and Matching Program to apply to and rank Residency Programs pursuant to the terms of this Contract.

NOW THEREFORE, in consideration of the undertakings and conditions set out in this Contract, the Applicant and CaRMS hereby agree as follows:

1. Definitions

- 1.1 In this Contract, in addition to terms defined in the context in which they appear, the following terms will have the following meanings:
 - (a) **Faculties:** The seventeen (17) Canadian Faculties of Medicine.
 - (b) **Residency Program(s):** Postgraduate medical residency program(s) operated by a Faculty that participates in a CaRMS match by offering residency positions to medical graduates (or those eligible to graduate) that apply through CaRMS (“**Candidates**”) through the Application and Matching Program.
 - (c) **Application and Matching Program:** A centralized residency application and matching process provided by CaRMS for both Candidates and Faculties.

2. Eligibility

- 2.1 To participate in the Application and Matching Program, the Applicant certifies that they are a final year student enrolled in, or a graduate of:
 - (a) A school accredited by the Liaison Committee on Medical Education / Committee on Accreditation of Canadian Medical Schools;

- (b) Any other medical school, and have successfully completed the provincially required Medical Council of Canada (“**MCC**”) Examination(s) (i.e. MCCEE, MCCQEI, MCCQEII, NAC); or
- (c) Any other medical school, and have an exemption from completing the provincially required MCC exams granted by the provincial medical regulatory authority in the province in which their selected Residency Programs are located.

Fulfilling the match eligibility criteria above allows for participation in the match, but does not guarantee eligibility to all positions within Residency Programs participating in the match. Each province and Faculty has its own set of eligibility criteria that must be met, as more particularly described in section 2.2.

- 2.2 The Applicant acknowledges that eligibility criteria for individual Residency Programs are set by the provincial governments and the Faculties, and each province and Faculty has specific criteria that must be met for positions within a province and Faculty. CaRMS does not set the eligibility criteria for any given Residency Program(s) and will not be held liable if the Applicant fails to meet eligibility criteria or if eligibility criteria are changed and the Applicant is no longer considered eligible. It is the Applicant’s responsibility to ensure they meet the eligibility criteria for the match and iteration they participate in.

3. Match Iterations

- 3.1 For CaRMS matches with more than one iteration, participation restrictions may be applicable based on the iteration of that match.
- 3.2 If the Applicant matched in the first iteration of a matching process, or matched in the U.S. or any other program not part of the Application and Matching Program, the Applicant is **not** eligible to participate in a second iteration of the matching process.
- 3.3 If the Applicant is matched to a U.S. position through the National Resident Matching Program (“**NRMP**”), the Applicant will be withdrawn from the Application and Matching Program, and if the Applicant matched through the Application and Matching Program, he/she will be withdrawn from the NRMP automatically and without notification.
- 3.4 If the Applicant is released from a contract with a Residency Program or released from a contract in the U.S., in accordance with CaRMS’ policies regarding release from the match commitment, the Applicant may be eligible for participation in the current or future matching processes. As more particularly described in section 2.2, participation in the match does not guarantee eligibility to all positions within Residency Programs participating in the match, as each province and Faculty has its own set of eligibility criteria that must be met.

3.5 If the Applicant participates in the Application and Matching Program and is unmatched in the first iteration of the matching process, the Applicant can participate in the second iteration of the matching process, where applicable, at no cost. Additional program application fees may apply.

4. Fees

4.1 First time registrants with CaRMS must pay the one-time verification fee (plus applicable taxes) at the time of registration.

4.2 The Applicant must pay the **match participation fee** (plus applicable taxes) for the match in which the Applicant is participating. The Applicant must also pay the applicable **program application fees** (plus applicable taxes) for programs to which the Applicant applies.

4.3 Fees shall be paid in accordance with the procedures established by CaRMS. Payment of fees is through the CaRMS Online payment server.

4.4 If any fees remain unpaid, services and/or match results may be withheld until fees are remitted. All fees paid to CaRMS are NON-REFUNDABLE.

5. Applicant's Rights and Obligations

National Resident Matching Program (NRMP)

5.1 The Applicant shall inform CaRMS within the CaRMS' Online application if they apply to CaRMS and NRMP, or to any other United States matches, or to any other program outside of the Application and Matching Program in the same year, even if the programs to which they are applying commence in different years. CaRMS must receive notification by the rank order list ("ROL") deadline posted within the **Annual Timeline**, as defined in sections 5.4 and 5.9 of this Contract, for the match they are participating in or the Applicant risks forfeiting participation in the CaRMS match. The Applicant must ensure that they do not match to more than one program, or it will be considered a match violation, thus voiding the CaRMS match.

Withdrawal Deadlines

5.2 If the Applicant wishes to withdraw an application to a Residency Program, the Applicant must withdraw the application prior to file review. If the Applicant wishes to withdraw from the Application and Matching Program, the Applicant must do so by the ROL deadline date provided in the Annual Timeline of the match they are participating in. Once file review begins, no Residency Program applications can be unsubmitted for the purpose of making changes or withdrawn.

CaRMS Online

- 5.3 The Applicant's use of CaRMS Online, as defined in section 6.2, must be in accordance with CaRMS' **Terms of Use**, and requires Internet access using the browsers recommended by CaRMS.

Schedules and Deadlines

- 5.4 The Applicant will submit all required information to CaRMS in accordance with the Annual Timeline of the match they are participating in. It is the Applicant's responsibility to meet the dates in the Annual Timeline. CaRMS will not be held liable for claims, losses or other negative impacts as a result of missed milestones or deadlines.
- 5.5 If the Applicant matches with a Residency Program, the Applicant must meet all the criteria to obtain the appropriate licensure, certificate, permit, or registration from the medical regulatory authority in the province or territory to which they have been matched by the start of the residency training, inclusive of any pre-assessment period, of the year in which the residency commences. Failure to meet the criteria by the commencement of the Residency Program or pre-assessment period may result in the automatic release from the Residency Program and the termination of this Contract.

Completeness and Accuracy of Information

- 5.6 The Applicant is responsible for the completeness and accuracy of the information provided to CaRMS and Residency Programs in whatever form submitted by or on behalf of the Applicant, including but not limited to: information about previous medical education, postgraduate medical training or clinical practice. All such information must be declared to allow a Residency Program full assessment of their application. CaRMS is not responsible for ensuring the accuracy of information exchanged between the Applicant and Residency Programs.
- 5.7 Some residency training positions may require the Applicant to enter into a return of service ("**ROS**") agreement with the provincial/territorial government. If the Applicant is matched to such a position, the Applicant must be eligible for and is required to sign the ROS agreement once matched. A failure to execute the required ROS agreement will void the CaRMS match. The Applicant is responsible for contacting the applicable provincial/territorial government to confirm the existence of and the term and contents of any applicable ROS agreement. CaRMS shall not be responsible for providing ROS agreement information, or for the accuracy of information exchanged between the Applicant and the provincial/territorial government.

Residency Program Information and Timeline

- 5.8 The Applicant acknowledges that the Association of Faculties of Medicine of Canada ("**AFMC**") on behalf of the Faculties is responsible for the accuracy and

timeliness of information relating to the Program Descriptions located in the Program Directory on the CaRMS website. The inclusion or exclusion of Residency Programs participating in a match is at the discretion of the Faculties. The Applicant is encouraged to verify such information directly with the Faculties.

- 5.9 The Applicant acknowledges and agrees that the Annual Timelines per match are approved by the AFMC and published by CaRMS and are incorporated in this Contract by reference ("**Annual Timelines**").

Restriction on Persuasion

- 5.10 The Applicant and a Residency Program may express a high degree of interest in each other but may not make statements implying a commitment.
- 5.11 The following activities shall be considered as violations of this Contract and subject to the penalties as described in sections 6.10 and 6.11:
- (a) The Applicant making any verbal or written contract for appointment to a residency position prior to completion of the Application and Matching Program; and
 - (b) The Applicant requesting the ranking preference of a Residency Program.

Application materials

- 5.12 The Applicant may use the Applicant's physiciansapply.ca account to share designated documents and examination results with CaRMS. Documents and examination results are only shared with CaRMS through physiciansapply.ca if the Applicant has provided consent to share the designated documents and examination results and has not withdrawn consent. The Applicant is responsible for ensuring that the relevant documents and examination results have been shared with CaRMS in accordance with the Annual Timeline and the provincial/Faculty criteria for the match they are participating in, as described in section 2.2. CaRMS will not be held liable for the accuracy or timeliness of the sharing of documents and examination results from physiciansapply.ca.
- 5.13 CaRMS only accepts transcripts, MSPRs/deans letters and reference documents via mail from medical schools and/or referees, and all other Applicant documents must be uploaded as per the instructions in CaRMS Online. CaRMS reserves the right to return any document that is not compliant with CaRMS' standards via courier or express post. A charge will be applied to the Applicant's account to recover administrative and shipping costs.
- 5.14 The Applicant is solely and exclusively responsible for ensuring the submission and accuracy of documents intended to be provided to CaRMS or provided to CaRMS by third parties and CaRMS will not be held liable for the delivery, verification, content or accuracy of any such documents intended to be received

or received by CaRMS from third parties. Furthermore, CaRMS will not be held liable for milestones or deadlines missed due to returned documents. Notification of documents submitted after the date of the opening of file review or reference letter unmasking (if applicable) will be made available within CaRMS Online to the administrator of the Residency Programs to which the Applicant has applied. CaRMS makes no assurance that Residency Programs will consider documents or additional information added to the application after the opening of file review or reference letter unmasking (if applicable).

- 5.15 All reference documents that are received by CaRMS for inclusion in the Applicant's application are confidential documents and, without exception, will not be released to the Applicant. CaRMS reserves the right to allow referees to refuse to supply online reference letters and will not be held responsible for milestones or deadlines missed.
- 5.16 CaRMS will only send the Applicant's Application and supporting documents to those Residency Programs designated by the Applicant.

Translation Services

- 5.17 CaRMS may, in its discretion, offer to the Applicant certain translation services, subject to the payment of additional fees. The Applicant agrees to pay any fees associated with any such translation services in accordance with this Contract. The Applicant acknowledges and agrees that CaRMS utilizes a third party to provide translation services and that CaRMS will have no liability to the Applicant for any such translation services, whether related to any delay, inaccuracy or otherwise.

Rank Order Lists

- 5.18 To participate in the Application and Matching Program, the Applicant must submit a ROL through CaRMS Online. If there is no submitted ROL by the deadline date provided in the Annual Timeline for the match they are participating in, the Applicant is automatically removed from the match and will not receive match results.
- 5.19 ROLs may be entered in more than one session and may be modified multiple times prior to the ROL submission deadline. ROLs may only be submitted through CaRMS Online.
- 5.20 CaRMS will not modify a submitted ROL or, if the Applicant misses the ROL deadline, CaRMS will not submit an ROL on the Applicant's behalf.
- 5.21 The Applicant agrees that their submitted ROL, giving their preferred list of residency programs, is to be the sole determinant of the order of their preference for matching to the Residency Programs to which they have applied.

Consent to Collection, Use and Disclosure

- 5.22 The Applicant consents to the collection, use and disclosure of their personal information ("**Personal Information**") by CaRMS for the sole purpose of operating the Application and Matching Program, including verification of credentials, in accordance with **CaRMS' Privacy Policy**. The Applicant also consents that their Personal Information may be disclosed to the Residency Programs to which the Applicant has applied, their current undergraduate office (if applicable) or postgraduate office (if applicable), the postgraduate office of the Residency Program to which the Applicant is matched and, where the Applicant has applied to a residency program in the United States, to the NRMP. Personal Information disclosed to the NRMP will be limited and used only for the purpose of operating a mapping program so as to manage matches that may occur in both Canada and the United States. Where CaRMS sends Personal Information to the NRMP, the Personal Information will be stored outside of Canada. Personal Information stored outside Canada will be subject to the laws of that jurisdiction.
- 5.23 The Applicant further agrees that CaRMS may obtain reference letters from individuals designated by the Applicant and that any Personal Information about the Applicant within these letters may be disclosed to the assigned Residency Programs the Applicant has applied to and used as determined by these Residency Programs.
- 5.24 If the Applicant (1) has graduated from a Quebec faculty of medicine, (2) has matched to a residency program in Quebec, or (3) is in the process of completing a residency program at a Quebec faculty of medicine, the Applicant consents to the disclosure of their Personal Information by CaRMS to Le Bureau de coopération interuniversitaire ("**BCI**") to permit BCI to manage residency admissions in the Province of Quebec. In addition, if the Applicant is an international medical graduate who applies to R-1 residency programs at a Quebec faculty of medicine and has not matched to a Residency Program in Canada, the Applicant consents to the disclosure of their Personal Information by CaRMS to BCI for the purpose of permitting BCI or a Quebec faculty of medicine to contact them regarding remaining positions at Residency Programs in Quebec.
- 5.25 If the Applicant is from the Alberta International Medical Graduate Program ("**AIMG Program**"), the Applicant consents to the disclosure of their Personal Information by CaRMS to the AIMG Program. The Applicant further agrees that CaRMS may obtain Multiple Mini Interview (MMI) assessment results directly from the AIMG Program to be included in their application.
- 5.26 If the Applicant is in (1) the Medical Officer Training Plan (MOTP) or (2) the Military Medical Training Plan (MMTP), the Applicant consents to the disclosure of their Personal Information by CaRMS to the Department of National Defense (DND).

- 5.27 If the Applicant is required to complete a CASPer™ (Computer-Based Assessment for Sampling Personal Characteristics) test, the Applicant consents to the collection of the test results by CaRMS directly from CASPer to be included in their application.

Match Commitment

- 5.28 The listing of a Residency Program by the Applicant on the Applicant's submitted ROL establishes a binding commitment to accept an appointment if a match results. It is the Applicant's responsibility to avoid the possibility of matching in more than one match at the same time. Each such appointment is subject to the official policies of the appointing Faculty in effect on the date the Residency Program submits its ROL and is contingent upon the matching Applicant meeting all eligibility requirements imposed by those policies. Failure to honour this commitment by the Applicant will be a violation of this Contract and may result in penalties as described in sections 6.10 and 6.11.
- 5.29 The Applicant cannot and agrees to not participate and match in more than one CaRMS match per match cycle.
- 5.30 If the Applicant matches with a Residency Program, the Applicant shall be available to begin training by July 1 of the year in which the residency training commences, unless the Faculty agrees to a deferred start date. Where practicable, the Applicant shall disclose their request for a deferred start date within their CaRMS Online application.
- 5.31 The Applicant acknowledges that the Faculties, in their discretion, may disqualify the Applicant if the Applicant is not able to begin residency training by July 1 of the year the residency training commences.

- 6.13 All verification processes are to be completed prior to the ROL deadline. CaRMS shall notify the Applicant where his/her credentials cannot be verified or where there are reasonable and probable grounds to believe that the credentials submitted by the Applicant are not authentic or have been falsified. - 6.17 CaRMS will treat ROLs as confidential information. CaRMS will not release or disclose the Applicant ROL unless legally obligated to do so or with the Applicant's express consent.

- 6.20 CaRMS will retain required Personal Information for as long as it is needed and as defined by its **Privacy Policy**.

Match Commitment

- 6.21 CaRMS will obtain the agreement of AFMC (acting on behalf of the Faculties) that the listing of the Applicant on a Program ROL establishes a binding commitment by the Faculty to offer an appointment if a match results and the Applicant meets the licensing requirements of the applicable provincial/territorial medical regulatory authority.

7. Limitation of Liability and Indemnification

- 7.1 CaRMS does not have any authority to make decisions regarding a Residency Program's ROL or the process of application to Residency Programs including, but not limited to, program descriptions, content, program quota, quota distribution, criteria, interviews and selection. Without limiting the generality of the foregoing, CaRMS will not be held liable for any loss or damage related to changes to the Application and Matching Program and other policy decisions, including with respect to process to be followed for matching Candidates to Residency Programs, eligibility criteria and Residency Program quotas, which are outside of CaRMS' control.
- 7.3 In no event, shall CaRMS be liable for any indirect, special, incidental, consequential, punitive or exemplary damages, regardless of the form of action, whether in contract or in tort (or negligence), even if CaRMS has been advised of the possibility of such damages. In no event shall CaRMS' liability arising in connection with this Contract exceed the fees paid by the Applicant to CaRMS.

8. Term and Termination

- 8.1 This Contract commences upon acceptance of this Contract by the Applicant and shall remain in effect until the Match Day of the match the Applicant is participating in, if the Applicant is unmatched, unless earlier terminated in accordance with the provisions hereof. If the Applicant is matched, the Contract shall remain in effect until the Applicant accepts an appointment to his/her matched program, unless earlier terminated in accordance with the provisions hereof (collectively, the "**Effective Period**").
- 8.2 On termination of this Contract, no party will have any further rights or obligations under this Contract except for such rights and obligations: (a) that have accrued or are accruing up to the effective date of termination; or (b) by their nature, are intended to continue after termination.
- 8.3 Without limiting the generality of the foregoing, any violation of this Contract during the Effective Period, even if reported or discovered outside of the Effective Period, will be subject to the Violation Review Policy, which may result in removal of the Applicant from the Application and Matching Program and termination of this Contract. However, this Contract will not apply to incidents or events that occur outside of its Effective Period.

- 9.4 Neither party shall assign this Contract, and/or any of its rights and obligations hereunder, without the prior written consent of the other party.
- 9.5 Nothing in this Contract, express or implied, shall or is intended to confer on any other person, institution or enterprise, any rights, benefits, remedies, obligations or liabilities of this Contract, other than the parties.
- 9.6 If there is a default or delay in a party's performance of its obligations under this Contract (except for the obligation to make any payments under this Contract), and the default or delay is caused by circumstances beyond the reasonable control of that party including fire, flood, earthquake, elements of nature, acts of God, epidemic, pandemic, explosion, power failure, cable cut, war, terrorism, revolution, civil commotion, acts of public enemies, law, order, regulation, ordinance or requirement of any government or legal body having jurisdiction, or labour unrest such as strikes, slowdowns, picketing or boycotts, then that party shall not be liable for that default or delay, and shall be excused from further performance of the affected obligations on a day by day basis, if that party uses commercially reasonable efforts to expeditiously remove the causes of such default or delay in its performance.
