Declaration of Interruptions in Undergraduate/Postgraduate Training and/or Clinical Practice

Interruptions (i.e. breaks or gaps) in training or medical practice of **two or more continuous months** must be accounted for when submitting an application for residency training.

I declare that I did **NOT** have two or more continuous months of interruptions during my undergraduate/postgraduate training or active clinical practice. See Provincial Requirements for additional information regarding what constitutes medical training or active clinical practice.

_____ Applicant's Name (Print) _____ Applicant's Signature _____ Date (Month/Day/Year)

Interruptions in training may include, but is not limited to, the following:

- Any period of time since graduation from medical school where you have not trained or practised; and/or
- Any break or gap for medical leave; and/or
- Any break or gap related to immigration purposes.

I declare that, since admission to medical school, I had interruptions of two or more continuous months during my undergraduate/postgraduate training and/or active clinical practice on the following occasions:

Dates (Mo./Yr. to Mo./Yr.)	Reason for Interruption (Explain the reason for the interruption, e.g. maternity leave, medical, vacation, immigration) Attach additional pages as necessary.
